MISSOULA--

Names of 1,378 students at the University of Montana, Missoula, are listed on the 1976 spring quarter honor roll, released recently by the office of Dr. Philip T. Bain, director of admissions and records at UM.

The total number of students at UM on the honor roll represents 17.1 percent of the spring quarter net enrollment of 8,029 students. A total of 412 students who gained honor roll status during spring quarter received straight A's. Straight-A students made up 29.9 percent of the 1,378 students on the honor roll.

The UM honor roll is computed on a 4.0 or straight-A basis. To be eligible for honor roll status, a student must have either a minimum of 54 grade points with an index of 3.0 or B average, or a minimum of 42 grade points with an index of 3.5 or B-plus. No student is eligible for the honor roll if he receives a grade of F for the quarter.

The list of honor roll students at UM was prepared by the UM Computer Center and Bain's office.
